Jessica, Bente, Transitions of Care Clinical Pharmacist at Saint Barnabas Medical Center in Livingston, NJ, is a licensed pharmacist and a registered immunizer. She received her PharmD from St. John's University in May 2014, after which she pursued a postgraduate year one (PGY-1) pharmacy practice residency at Saint Barnabas Medical Center. Being a part of the Transitions of Care team, Jessica primarily follows patients with a diagnosis of COPD or pneumonia, who return home upon discharge. Her primary responsibilities include medication reconciliation, medication counseling, follow-up phone calls, and home visits to patients once discharged. Her practice areas of interest are COPD, dyslipidemia, and diabetes management.
