

# JYF KICK-OFF

SEPTEMBER 12, 2014 7-9PM

MORROW CHURCH

## JYF FAQ

### What is it?

JYF is a youth group for students in grades 6-8. It is open to anyone and everyone. We come together each week to have fun, do some good, and understand how to share God's love.

### When and where does it meet?

Fridays, from 7-9pm at Morrow Church

### What is required?

We ask that you look over the schedule and if JYF looks right for you, that you sign up and make sure each week we know whether you are coming or not (there is an easy sign-up on the website). Parents are asked to help out with JYF 2-3 times throughout the year.

### What do we actually do at JYF?

We usually start with some catch-up time around the pool table, foosball, ping-pong and game stations. We also have a hang-out room with board and video games and snacks. Then, we get to work on our service project -- working in small groups so we can get to know each other better. We regularly have visits from community leaders too. We close things up with some time to share for our reflection time.

We sometimes head out on Fridays too -- corn maze, laser tag, swim party -- it's always something fun on Fridays!

If you're in middle school,  
JYF is the place to be on  
Friday nights.

JYF is a unique  
combination of games and  
time to hang with friends +  
service with others +  
spiritual reflection.

This season, we'll be  
meeting with community  
leaders and working  
alongside them to  
transform our world.
