Bag It - is your life too plastic?

Thursday, March 26th, 7 pm
at the South Orange Public Library,
FREE!

In “Bag It!” an average guy makes a resolution to stop using plastic bags at the grocery store. Little does he know that this simple decision will change his life completely. He comes to the conclusion that our consumptive use of plastic has finally caught up to us, and looks at what we can do about it.

Today. Right now.

The Environmental Commission will be distributing reusable bags. Please feel free to bring your extra reusable bags to share.

These films are presented free to the public by the South Orange Green Team & Environmental Commission
