

Community Forum on Communications

We want to hear from you!

The Board's Community Engagement & Outreach Committee invites all members of the SOMSD Community—parents, students, staff, seniors, taxpayers—to join members of the Board of Education and SOMSD Administration to talk about communications at the classroom, school, and district level:

- ⇒ What works for you?
- ⇒ What is frustrating for you?
- ⇒ What suggestions do you have?
- ⇒ How can we best reach you with the information you most want to receive?
