Science labs and study halls will not meet during the exam days. Students are encouraged to use that time to prepare/study for exams at home. Students should not report to school for their lunch period. In the event that a student has three major exams on the same day, the student may request permission to schedule one of the exams on an alternate day. Such arrangements must be completed with the teacher before Wednesday, June 17th.

The 10 minute passing time between exams is designed to permit students to use the restroom or go to their lockers, if necessary.

Students who are absent from an exam must present a written excuse from a parent or guardian to their dean in order to have their absence excused. The deans' office is located in room A-241. The student is then responsible for contacting the teacher to schedule a make-up exam during make-up exam times (see 1:41 - 3:28 above).

- **LUNCH IS AVAILABLE ON EXAM DAYS . . . in the cafeteria from 12:52 p.m. - 1:37 p.m. Only students who are taking make-ups or special exams should remain at CHS after 1:37 p.m.**
