

CHAMPION OF FREEDOM

Honoring the Life of Nelson Mandela in Drumming, Dance and Song

In 2013, St Stephen's established a partnership with the PATCH (Parents and their Children) Program which is an outreach to children in Essex County. We offer a week-long summer camp where kids aged 6-12 years learn African Drumming, and other arts and crafts.

Please join St. Stephen's and Patch (Parents and Their Children) in Taylor Park to see and hear the children's performance.

**Saturday,
August 29, 2pm
Taylor Park, Millburn**

We thank the following restaurants for donating a lunch to the camp: Peter's, Pizzeta, Millburn Diner, & Goldberg's Famous Deli.
