

It started with the Education Summit.

It continued with the development of a new Strategic Direction.

Community Forum Strategic Planning Process

SOMSD is in the process of creating a new Strategic Plan to serve as the blueprint for the future. We hope you will join us at one of these upcoming community forums to learn more. Both sessions will be broadcast live on CCN (35 in Maplewood, 19 in South Orange, and 22 on FIOS) and available on demand.

The Board of Education is scheduled to vote on the adoption of the Strategic Direction at a special Board meeting on Tuesday, Feb 16, 2016.

Using community feedback as the basis of all discussions, a committee of stakeholders developed a Strategic Direction that sets the enduring values, mission, strategic boundaries, student performance statement and strategies. The next step will be to create specific action plans for each strategy.
