

Dear Residents:

Due to rising COVID-19 cases beginning on November 2, 2020 Township buildings excluding the library will be closed to the public until further notice. Although all of our Township public buildings are closed to the public, the employees of Maplewood Township continue to work, while also practicing social distancing, in order to maintain and provide planning for future programming. Below is a resource list of all of the services you can access remotely. Please also use our drop boxes located around Town Hall and the DeHart Community Center for payments and applications.

All downloadable forms can be found here: <https://www.twp.maplewood.nj.us/files/>

Residents can also make requests, file complaints, and make electronic payments for some township services by signing up and using our public portal here: <https://www.sdlportal.com/towns/nj/essex/maplewoodtwp>
