South Orange, NJ 07079

## South Orange and Maplewood have teamed up to improve curbside recycling.

**Recycling pickups will be weekly. Materials must be separated for two distinct pickups on alternating weeks:**

- one week for **Fibers** (cardboard, paper) only
- the next for **Commingled** (plastic, glass, and metal containers) only

Separating the streams is essential for greater cost efficiency and higher rates of successful recycling. We need the community's help to make dual stream recycling work better for all of us.
