NARRATIVE

On 12/14/2023 at approximately 1333 hours, I (P/O Rhodes) was dispatched to 17 Parker Ave (Columbia High School) for a report of past tense malicious damage/graffiti.

Upon my arrival, I spoke with with the caller, ██████████ who reported past tense graffiti. ██████████ reported that on 12/12/2023 graffiti was discovered stating, "Free Palestine" and that directly below, "Kill Jews" was discovered in the ground floor D wing girls bathroom.

██████████ reported that he was not notified of the incident until an email was sent to parents of the district on this date. ██████████ reported that Columbia High School/CHS Principal ██████████ was notified on 12/12/2023, photographed the graffiti and had it removed prior to sending the email or contacting him or MPD.

While speaking with ██████████ he reported that this was the third incident involving graffiti at CHS. ██████████ reported that the other two incidents stated "Free Palestine" in large black writing and occurred during the week of December 4th. These, like this incident were removed prior to MPD being notified.

██████████ then escorted Detectives to the ground floor D wing girls bathroom so that the further photographs of the graffiti could be taken. While photographing the inside of the bathroom, more graffiti was discovered. This graffiti stated "Genocide" and "May Zionists Find Humanity".

██████████ then escorted Detectives to the boys bathroom on the ground floor next to the gym area. Photographs of the bathroom were taken and no new graffiti was discovered.

All photographs were attached to this report for further reference. (TR436)
